

NURSING & HEALTH OCCUPATIONAL PROGRAMS

OPEN HOUSE

Come and learn about the eight Nursing & Health Occupational Programs Southwestern College has to offer. Talk to current nursing students, staff and professors. Visit our simulation room and surgical lab. All Nursing Program classrooms will be open for a night of fun and learning activities. Students will demonstrate skills used in the Nursing Programs and operating room setting.

Program Information:

- Associate Degree in Nursing (ADN/RN)
- Vocational Nurse (VN)
- LVN to ADN Step-Up Program
- Certified Nursing Assistant (CNA)
